## Your Neighborhood Heros

We're Emily, Sam, Omid, and Shara and we've all been huge comic book fans since birth. We decided to open up ESOS to bring the comic book nerds of the SF bay area together to not only have a go-to place when you want to add to your collection, but also provide a haven for when you want to have debates on how closely comic book movies should follow comic book stories or when The Guardians of the Galaxy will team up with The Avengers.
